CANARY YELLOW COLLECTIVE  
Presents the North American premiere of  
**ROUND TRIP**

Devised and performed by Cara Brostrom & Shannon Roszell

**ROUND TRIP** is a show on the fringe of the FR!NGE. This isn't theatre, but it's not NOT theatre. This isn't acting, but it's not quite honest. It's not a comedy, but it is funny. **ROUND TRIP** is a very special kind of show.

Self-acclaimed scholars Cara Brostrom and Shannon Roszell deliver a series of lectures and demonstrations exploring their capacity for unassisted human flight. Unwilling to accept the limitations of the body, they rely on the latent possibilities of the mind and an undeniable sense of wonder. Expect the unexpected as their pseudo-scientifically rigorous empirical study culminates in a live gravity-defying feat of ludicrous proportions.

Round Trip premiered at the Teak Live Art Festival in Helsinki, Finland in 2009. Fellow North Americans and co-creators Brostrom & Roszell bring it to the Toronto Fringe for its North American debut.
