“There’s no escape when brains attack!”

P.k. Pin Up Productions presents:
Tamara Lynn Robert’s

Psycho Bitch

Tamara is a mood disordered, medicated, sweetheart of a mess and she desperately needs help! On her journey towards healing, she battles a legion of demons, an onslaught of happy pills and one grotesque monster called Stigma. Her guardian angel, Geraldine, is her ever-present comfort in her comedic, heartwarming tale of living with a mental illness.

The show’s writer/performer, Tamara Lynn Robert tells her autobiographical tale of living with a brain that is broken. Diagnosed with several disorders, she takes you on an adventure through the variety of treatments she sought ranging from the ridiculous: exorcisms and psychic hoopla, to the more traditional: drug therapy and psychoanalysis. ***Psycho Bitch*** is her story of a quest for healing, her fight against stigma and the discovery of what we all really need to cope.
